

AURA

AURA

AURA is a collection that represents an interpretation of the concrete. Its main idea is to create a continuous surface that allows us to feel, explore and interpret our environment through the tactile sensations that are transmitted by the material.

Lead the scene, keep it green

Sizes

- 1200x1200(mm)
- 600x1200(mm)
- 800x800(mm)
- 600x600(mm)
- 300x600(mm)

Finish

- Matt
- Polished

AURA

- Thickness 9mm
- Slip Rating R10
- Water Absorption 0.5%

- Frost Resistance Resistant
- Chemical Resistance Resistant
- Material Porcelain
