

ABSOLUTE MARBLE | NATURAL MARBLE TILES

36 COLOURS | 2 FINISHES | 4 FORMATS

BLUEPRINT
CERAMICS

Discover a modern take on the classic, timeless aesthetic of stone with our advanced surfaced materials. Skillfully crafted using a diverse blend of precious marble flakes, grains, and chips, we ensure an elegant and sophisticated touch to any environment. Our materials are blended with top-quality resins that are tested and certified safe for contact with food and indoor spaces, ensuring not only stunning but also safe and reliable surfaces. Available in a variety of color shades and particle sizes, our marble surfaces introduce a contemporary interpretation of traditional stone. Upgrade your surroundings with our superior and versatile surfaces, adding unparalleled elegance and modernity to your space.

TEST DESCRIPTION	TEST REQUIREMENT	VALUE
Length & Width	BS EN ISO 10545-2	$\pm 0,5$ mm
Thickness	BS EN ISO 10545-2	$\pm 0,7$ mm
Straightness of Sides	BS EN ISO 10545-2	$\pm 0,3$ mm
Rectangularity	BS EN ISO 10545-2	$\pm 0,9$ mm
Surface Flatness	BS EN ISO 10545-2	Conforms
Water Absorbtion	BS EN ISO 10545-3	$\leq 0,15$ %
Flexion Resistance	BS EN ISO 10545-4	22 - 35 MPa
Breaking Strength	BS EN ISO 10545/5	> 600 N
Abrasion Resistance	BS EN ISO 10545-6	37 - 40 mm
Reaction to Fire	BS EN ISO 10545-12	A2f1-s1
Chemical Resistance	BS EN ISO 10545-13	C1
Resistance to Stains	BS EN ISO 10545-14	N/A
