

The Studio Stack collection combines artisan craftsmanship with architectural precision, offering a versatile ceramic wall tile solution for both residential and commercial specifications. Each tile is hand-glazed, creating subtle tonal variations that add depth and character to any surface.

Designed for kitchens, bathrooms, feature walls, and hospitality spaces, Studio Stack tiles are available in modular rectangular formats and a curated palette of contemporary colors, from earthy neutrals to rich, saturated hues. Whether used in a classic stacked layout or a dynamic herringbone pattern, these tiles bring timeless elegance and texture to interior schemes.

Key Features:

Specification-grade ceramic wall tiles

Handcrafted glazing for unique finishes

Suitable for residential and commercial interiors

Versatile patterns: stacked, herringbone, and custom layouts

Ideal for feature walls, kitchens, and bathrooms

Bring a design-forward, artisan touch to your next project with the Studio Stack collection – a perfect choice for architects, designers, and specifiers seeking quality and timeless style.
