The Maldives collection is a curated range of glass mosaic tiles inspired by the tranquil beauty of tropical waters. Designed in a refined brick pattern layout, each tile arrangement creates a clean, linear aesthetic that enhances both modern and spa-style interiors. Featuring layered tones reminiscent of shallow lagoons and deep ocean hues, Maldives mosaics bring a sense of calm, light, and movement into any space. The glass surface reflects light beautifully, adding depth and brightness to walls, splashbacks, and wet areas. Ideal for bathrooms, showers, swimming pools, and feature walls, this collection combines durability with a premium finish. The structured brick format offers a timeless look while maintaining a contemporary edge. Whether used to create a serene retreat or a striking focal point, Maldives delivers a perfect balance of texture, colour, and architectural simplicity.
