MARBLE EFFECT PORCELAIN TILES

6 COLOURS | 2 FINISHES | 2 FORMATS

Inspired by the dramatic beauty of natural brecciated stone, Cusco is a striking porcelain tile collection that combines intricate veining, rich movement and exceptional visual depth. Designed to create luxurious interiors with a contemporary edge, the collection features layered patterns, tonal variation and reflective details that bring surfaces to life. Available in both matt and polished finishes, Cusco offers versatility across residential, hospitality and commercial environments. Large format tiles, decorative reliefs and mosaic options provide endless design possibilities, allowing architects and designers to create seamless, impactful spaces with a refined architectural aesthetic.
