Ancestry is a sophisticated stone effect porcelain tile collection inspired by the character, depth and enduring appeal of natural stone. Designed for contemporary residential and commercial interiors, the collection combines authentic surface detail with the practical benefits of high-performance porcelain, creating spaces that feel timeless, elegant and effortlessly refined. Featuring a selection of versatile formats and finishes, Ancestry offers exceptional design flexibility for floors and walls across a wide range of projects. Its subtle movement, natural variation and architectural aesthetic make it equally suited to luxury homes, hospitality settings, retail environments and specification-led commercial schemes. Available in both interior and exterior formats, including grip and outdoor options, Ancestry allows seamless transitions between indoor and outdoor spaces while delivering the durability, low maintenance and long-term performance expected from premium porcelain tiles.
