Pompeii by Blueprint Ceramics is a stand-out porcelain tile collection designed to capture the timeless elegance of classical Italian marble with a contemporary twist. Featuring bold veining, sculptural fluted profiles, and a refined matte finish, these tiles are ideal for interior designers and specifiers looking to elevate modern residential and commercial spaces. Crafted using high-definition digital printing on durable porcelain, Pompeii tiles offer the aesthetic of natural stone with the practicality and resilience of porcelain – perfect for feature walls, decorative accents, and luxury installations.
